Air filter

1015226

Air filter Multi-stage carburettor Weber 32/36 DGV

Volvo Amazon, 140, P1800, PV

Carburettor type: Multi-stage carburettor

Carburettor name: Weber 32/36 DGV

Quality of product: High performance

Volvo P1800: all models

1023471

Air filter Weber 45 DCOE

Volvo Amazon, 140, 164, P1800, PV P210

Carburettor system: Weber 45

Carburettor name: Weber 45 DCOE

Quality of product: Sport version

Quantity per car: 2

Volvo P1800: all models

1014604

672280

Air filter front Two-stage carburettor SU HS-6

Volvo Amazon, P1800, PV

Manufacturer: Volvo OE supplier

Fitting position: front

Carburettor type: Two-stage carburettor

Carburettor name: SU HS-6

Volvo P1800: all models, engine B18B

Front mounted filter, three mounting holes, comes with a stud for ventilation hose

recommend Accessories

1010846: Gasket, Carburettor flange

1027862

672280

Air filter front Two-stage carburettor SU HS-6

Volvo Amazon, P1800, PV

Fitting position: front

Carburettor type: Two-stage carburettor

Carburettor name: SU HS-6

Volvo P1800: all models, engine B18B

front mounted filter, three mounting holes, comes with a stud for ventilation hose

recommend Accessories

1010846: Gasket, Carburettor flange

1012108: Nut with UNF inch Thread 5/16

1014605

672281

**Air filter rear Two-stage carburettor SU HS-6**

Volvo Amazon, P1800, PV

Manufacturer: Volvo OE supplier

Fitting position: rear

Carburettor type: Two-stage carburettor

Carburettor name: SU HS-6

Volvo P1800: all models, engine B18B

Rear mounted filter, three mounting holes, no stud for ventilation hose

recommend Accessories

1010846: Gasket, Carburettor flange

1027861

Additional info: without Hub
Quantity per car: 2

Volvo P1800: yearsmodel 1963 to 1969, chassis no. 7000 bis 30000

This brake disc can not be easily installed!
Please note the service instructions.

Brake discs have an extra thickness which must be pressed on the wheel hubs with new studs and sized together with the hub plan. By using a lathe the right size can be reached. Work should only be performed by a specialist.

 Contains: O-ring top and bottom (114271 + 678249), brass bushing 85627 and seal 656704, the PV steering rack, the upper ring is not needed

To overhaul a steering gear, special tools are needed that are no longer available. These tools may have to be prepared by yourself.
 In any case, the new brass bushings need to be grounded to size after installation. Therefore a guided reamer in the appropriate size is needed!

Lowering kit

1014797

Lowering kit linear 25 mm

Volvo 120 130, P1800

Coil spring type: linear
Lowering: 25 mm
Registration type: without General certification (ABE)
Volvo P1800, P1800ES: all models

Linear-made, high quality set for road and racing use puts the vehicle slightly lower. Please note, that after installation your vehicle could be slightly higher than before, depending on how worn out your original springs were. The lowering of 25 mm comes about when compared to a vehicle with brand new original springs.

1010273

Lowering kit progressive 30 mm

Volvo 120 130, P1800

Coil spring type: progressive
Lowering: 30 mm
Registration type: with Roadworthy certificate
Volvo P1800, P1800ES: all models

The set comes with a TÜV approval for the Volvo 121. Progressive spring rate for the vehicle exists because of its low placement. Because of its style, it's comfortable but very soft. Springs give after a time and this can lead that the front axle can make contact with the rubber stoppers when travelling on rough roads.

Volvo P1800, P1800ES: yearsmodel from 1970, chassis no. from 30001, engine B20F

Volvo 200: For propeller shaft type 1310

In 2003, the diameter of the

Universal joint can be measured!

Volvo 700: For shaft type 13

For the Series 200 and 700 there are various drive shafts that are not exactly assigned, but are distinguished only by shaft types.

In the 200 series up to 1984 there are two types (1140 and 1310) They can be easily determined by the diameter of the front shaft.

Type 1140: 44.5 mm diameter

Type 1310: 50.8 mm diameter

When choosing replacement parts you must pay attention to these differences.

After 1985, there is only the type 03, although this may have have 2 different universal joints! Here, you must measure the width of the universal joint (universal joint diameter).

In the 700-series can be found 3 types:

Type 02: front shaft diameter 44.5 mm

Type 03: front shaft diameter 50.8 mm

Type 13: This type can be determined by measuring the distance from center to center

Middle universal joint. The distance is

208 mm. (In contrast, the wave type 03 only

106 mm spacing)

Here again it is absolutely important that the correct shaft type is selected when purchasing spare parts.

Manufacturer: Elring

Type: Form gasket

Position: Cylinderhead - Crankcase

Thickness Cylinder head gasket: 0,8 mm

Volvo P1800: yearsmodel from 1969, engine B20B

To be fitted in conjunction with 42 mm intake valves!

For the B20, there are three different thicknesses for head gaskets, 0.8 - 1.2 - 2 mm. This makes it possible to vary the compression of the engine. 0.8 and 1.2 mm thick gaskets are usually used for dual carburetor and fuel injection engines.

For single carburetored engines: 1.2 and 2 mm seals come into question. Higher compression ratio (= thinner gasket) usually results in higher performance.

Lower density (= thicker seal) is for a quieter running engine, provided the engine is mechanically sound.

Note: The thicker the gasket, the more important the immediate tightening of the cylinder head bolts!

1000159

419763

Gasket, Cylinder head 0,85 mm

Volvo 140, P1800

Manufacturer: Elring

Type: Form gasket

Position: Cylinderhead - Crankcase

Thickness Cylinder head gasket: 0,85 mm

Volvo P1800, P1800ES: yearsmodel from 1973, engine B20E

For cylinder heads with 44mm intake valves

For the B20, there are three different thickness head gaskets, 0.8 - 1.2 - 2 mm. This makes it possible to vary the compression of the engine. 0.8 and 1.2 mm . Thick gaskets are usually used for dual carburetor and fuel injection engines. For single carbureted engines 1.2 and 2 mm seals come into question.

Higher compression ratio (= thinner gasket) usually results in higher performance.

Lower density (= thicker seal) is a quieter running engine, provided the engine is mechanically sound.

Note: The thicker the gasket, the more important the immediate tightening of the cylinder head bolts!

Safety belt

1006806

Safety belt Rear seat

95, 96, Amazon, 140, 164, P1800, PV

Position: Rear seat

Belt type: 3-point belt

Belt type: automatic

Quantity per car: 2

Volvo P1800, P1800ES: all models

Complete automatic seat belt for the back seat in very old cars must be properly fixated.

Enclosed screws fit for standard belt threads. In old vehicles another thread can be used

In particular, by alternative installation on the front seat, belt staps should be installed so they can be easily disengaged.

Do to a new EU standard, the manufacturer is no longer able to make seat belts that roll up in every position. In order to use the strap the complete ball mechanism which is found on the side of the blocking mechanism (under the elongated plastic cover) must be removed. It is simply clipped into the base plate. The actual blocking mechanism of the belt remains completely untouched.

The belt is now working again in any position.

After installation, the function should be checked.

Allgemeine Geschäftsbedingungen der Skandix AG

Diese AGB können Sie auch online abrufen unter der Adresse www.skandix.de

1. Geltung der Allgemeinen Geschäftsbedingungen, Definitionen

Allen Angeboten, Lieferungen und Leistungen der Skandix AG – im Folgenden nur noch Skandix genannt – und den dazugehörigen Vertragsabschlüssen liegen ausschließlich diese Geschäftsbedingungen zugrunde.

Abweichende und/oder ergänzende Bedingungen des Bestellers/Käufers (im Folgenden: Vertragspartner) sind für Skandix unverbindlich.

Nur soweit Skandix abweichende Vereinbarungen ausdrücklich schriftlich bestätigt, gelten diese, jedoch ohne Wirkung für zukünftige Geschäfte.

2. Definition von Verbraucher und Unternehmer

Verbraucher im Sinne dieser Geschäftsbedingungen sind natürliche Personen, die außerhalb einer gewerblichen oder selbständigen beruflichen Tätigkeit mit Skandix in Geschäftsbeziehung treten.

Unternehmer im Sinne dieser Geschäftsbeziehungen sind natürliche Personen, juristische Personen oder rechtsfähige Personengesellschaften, die in Ausübung ihrer gewerblichen oder selbständigen beruflichen Tätigkeit mit Skandix in Geschäftsbeziehung treten.

3. Lieferpreise, Rechnungsprüfung

Lieferungen erfolgen zu den vereinbarten Preisen. Wird kein Preis ausdrücklich vereinbart, so gilt die aktuelle Preisliste von Skandix. Die Zahlung wird sofort nach Erhalt der Rechnung ohne jeden Abzug fällig.

Bei den Preisen handelt es sich um Nettopreise im Sinne des Umsatzsteuergesetzes. Umsatzsteuer wird in der jeweils festgelegten Höhe auf die Preise aufgeschlagen.

Der Vertragspartner hat innerhalb einer angemessenen Frist die Rechnungsstellung zu prüfen. Reklamationen der Rechnungsstellung nach Ablauf von 3 Monaten werden von Skandix nicht mehr berücksichtigt.

4. Vertragsschluss, Bestätigung der Bestellung im E-Commerce

Mit Bestellung erklärt der Vertragspartner verbindlich, die bestellte Ware erwerben zu wollen (Vertragsangebot). Skandix wird kurzfristig, spätestens jedoch innerhalb von zwei Wochen, die Annahme oder Ablehnung des Vertragsangebotes erklären. Die Annahme kann auch durch Auslieferung der Ware erklärt werden.

Bei Bestellungen auf elektronischem Wege wird Skandix den Zugang der Bestellung unverzüglich bestätigen. Die Zugangsbestätigung stellt noch keine Annahme des Vertragsangebotes dar. Bei elektronischen Bestellungen wird der Vertragstext von Skandix gespeichert und dem Vertragspartner auf sein Verlangen per E-Mail zur Verfügung gestellt.

5. Widerrufsrecht im Fernabsatz

Ist der Vertragspartner Verbraucher, kann er seine auf den Abschluss des Vertrages gerichtete Willenserklärung innerhalb von zwei Wochen nach Eingang der Ware widerrufen. Der Widerruf bedarf keiner Begründung.

Der Widerruf ist in Textform oder durch Rücksendung der Ware zu erklären. Es genügt die rechtzeitige Absendung.

Der Vertragspartner ist zur Rücksendung per Paket verpflichtet. Bei einem Bestellwert bis zu 40 EUR trägt die Kosten der Rücksendung der Vertragspartner. Bei einem Bestellwert über 40 EUR trägt die Kosten der Rücksendung Skandix. Die Rücksendung hat auf dem jeweils günstigsten Versandweg zu erfolgen.

Der Vertragspartner darf die Ware sorgsam und vorsichtig prüfen. Ein Wertverlust durch über die reine Prüfung hinausgehende Nutzung ist von dem Vertragspartner zu ersetzen.

6. Gefahrtragung

Ist der Vertragspartner Unternehmer, trägt dieser die Gefahr eines zufälligen Untergangs der Ware ab Erfüllungsort. Dies gilt auch für den Fall der Versendung der Ware an einen anderen als den Erfüllungsort.

Ist der Vertragspartner Verbraucher, trägt dieser die Gefahr eines zufälligen Untergangs der Ware ab Übergabe der Ware. Der Annahmeverzug steht der Übergabe gleich.

7. Gewährleistung

Skandix leistet Gewähr für Mängel der Ware. Normaler, gebrauchstypischer Verschleiß, ebenso wie vorzeitige Abnutzung durch untypischen Gebrauch – etwa unter ungewöhnlich erhöhter Belastung – sind keine Mängel.

a. Die Zusicherung von Eigenschaften bzw. die Übernahme von Garantien ist nur insoweit verbindlich, wie Skandix diese dem Vertragspartner besonders schriftlich bestätigt hat.

Ist der Vertragspartner Unternehmer, so stellen neben der von uns gegebenen Produktbeschreibung öffentliche Äußerungen,

Anpreisungen oder Werbung des Herstellers oder eines Dritten keine vertragsgemäße Beschaffenheitsangabe der Ware dar.

b. Ist der Vertragspartner Unternehmer, so leistet Skandix Gewähr für ein Jahr ab Ablieferung der Ware. Gegenüber einem Verbraucher beträgt die Gewährleistungsfrist 2 Jahre ab Ablieferung.

Die Gewährleistung besteht nicht für Mängel, die nicht rechtzeitig angezeigt worden sind (Ziff. 8 dieser Allgemeinen Geschäftsbedingungen)

c. Ist der Vertragspartner Verbraucher, so leistet Skandix zunächst nach Wahl des Verbrauchers Gewähr durch Nachbesserung oder Nachlieferung.

Skandix ist jedoch berechtigt, die gewählte Art der Nachbesserung abzulehnen, wenn diese für Skandix mit unverhältnismäßig hohen Kosten verbunden und die andere Art der Nachbesserung dem Vertragspartner zuzumuten ist.

Ist der Vertragspartner Unternehmer, leistet Skandix nach Wahl von Skandix Gewähr durch Nachbesserung oder Nachlieferung.

Wählt der Vertragspartner nach Scheitern der Nacherfüllung wegen eines Mangels den Rücktritt vom Vertrag, steht ihm daneben kein Anspruch auf Schadenersatz zu.

d. Grundsätzlich gilt für Autoteile, dass der Einbau entsprechende Sachkunde voraussetzt. Eventuelle Montageanleitungen stellen einen Service, nicht jedoch Inhalt des Erfüllungsanspruches dar.

Besteht der Mangel in einer fehlerhaften Montageanleitung, ist Skandix gegenüber Unternehmern nur zur Nachlieferung einer fehlerfreien Montageanleitung verpflichtet. Dies gilt nur dann, wenn die fehlerhafte Montageanleitung der Montage entgegensteht.

8. Anzeige von Mängeln

Der Vertragspartner hat die Ware rechtzeitig vor Annahme/Quittierung sorgfältig auf Schäden und Fehlmengen zu untersuchen, diese sofort zu beanstanden, auf dem Empfangsschein etc. vollständig anzugeben und sich schriftlich bestätigen zu lassen.

Der Vertragspartner hat im Beanstandungsfall alle erforderlichen Maßnahmen einschließlich der Tatbestandsaufnahme rechtzeitig und formgerecht durchführen zu lassen. Über vorgenannte Kontrollen hinaus ist vom Vertragspartner die Ware beim Empfang auf richtige Menge, Art und Qualität unverzüglich zu prüfen. Unternehmer müssen offensichtliche Mängel innerhalb von zwei Wochen nach Übergabe der Ware schriftlich anzeigen.

Der Vertragspartner muss Skandix innerhalb von vier Wochen, nachdem der vertragswidrige Zustand der Ware festgestellt wurde, diesen an Skandix mitteilen.

9. Haftungsbeschränkung

Bei leicht fahrlässiger Pflichtverletzung beschränkt sich die Haftung von Skandix auf den nach Art des Vertrages typischen, vorhersehbaren Durchschnittsschaden. Dies gilt auch bei leicht fahrlässigen Pflichtverletzungen der gesetzlichen Vertreter und Erfüllungsgehilfen von Skandix.

Ist der Vertragspartner Unternehmer, haftet Skandix bei leicht fahrlässiger Verletzungen nicht vertragswesentlicher Pflichten nicht.

Die Haftungsbeschränkung gilt nicht, soweit in Fällen des Vorsatzes oder der groben Fahrlässigkeit seitens Skandix oder ihrer Erfüllungsgehilfen gehaftet wird oder der Schaden auf dem Fehlen einer schriftlich besonders zugesicherten Eigenschaft beruht, durch deren Zusicherung der Vertragspartner vor einem solchen Schaden abgesichert werden sollte.

Der Haftungsausschluss gilt ferner nicht, soweit bei leicht fahrlässiger Verletzung wesentlicher Vertragspflichten seitens Skandix oder ihrer Erfüllungsgehilfen zwingend gehaftet wird. Die Haftungsbeschränkung gilt nicht für Körperschäden, Gesundheitsbeschädigung oder Verlust des Lebens des Vertragspartner.

Ansprüche aus dem Produkthaftungsgesetz gegen Skandix werden nicht ausgeschlossen.

10. Eigentumsvorbehalt gegenüber Unternehmer

Skandix behält gegenüber einem Vertragspartner, der Unternehmer ist, das Eigentum an sämtlichen von ihr gelieferten Waren bis zur restlosen Begleichung ihrer Gesamtforderung aus der laufenden Geschäftsverbindung mit dem Vertragspartner (Vorbehaltware).

Das gilt auch dann, wenn der Kaufpreis für bestimmte vom Unternehmer bezeichnete Warenlieferungen bezahlt ist, da der Eigentumsvorbehalt alle laufenden offenen Saldoforderungen sichert.

Der Unternehmer darf die Vorbehaltware im Rahmen seines ordnungsgemäßen üblichen Geschäftsverkehrs veräußern. Zu anderen Verfügungen, insbesondere zur Sicherungsübereignung oder Verpfändung, ist er nicht befugt.

Alle ihm aus jeder Weiterveräußerung der Vorbehaltware zustehenden Forderungen (einschließlich eventueller Nebenrechte) tritt der Unternehmer bis zur Höhe der jeweils offenen Gesamtforderung der Skandix zu deren Sicherung an Skandix ab.

Beim Weiterverkauf der Vorbehaltware zusammen mit anderen Waren zu einem Gesamtpreis, erfolgt die Abtretung entsprechend des Rechnungswertes der mitverkauften Vorbehaltware.

Solange der Unternehmer seinen Zahlungsverpflichtungen gegenüber Skandix nachkommt, ist er bis auf Widerruf ermächtigt, die auf Skandix sicherungshalber abgetretenen Forderungen einzuziehen.

Eine Verfügung über diese Forderungen durch den Vertragspartner ist nur Zug um Zug gegen Auszahlung des Erlöses an Skandix zulässig, und zwar bis zur restlosen Regulierung der offenen (Saldo-)Gesamtforderung der Skandix. Die Einzugsermächtigung kann widerrufen werden, wenn ernsthafte Zweifel an der Zahlungsfähigkeit des Vertragspartners auftreten.

Bei Zahlungseinstellung des Vertragspartners erlischt automatisch die Einzugsermächtigung. Auf Verlangen von Skandix hat der Vertragspartner – insbesondere bei Widerruf oder Erlöschen der Einzugsermächtigung – Skandix die Schuldner der abgetretenen Forderungen umgehend mitzuteilen und alle zur Geltendmachung der Rechte von Skandix erwünschten und erforderlichen Auskünfte zu erteilen und Unterlagen auszuhändigen.

Der Eigentumsvorbehalt ist in der Weise auflösend bedingt, dass mit vollständiger Erfüllung der jeweils offenen Gesamtforderung von Skandix gegenüber dem Vertragspartner das Eigentum an der Vorbehaltware ohne weiteres auf ihn übergeht.

Auf Wunsch des Vertragspartners gibt Skandix nach ihrer Wahl ihr zustehende Sicherungen frei, soweit ihr Wert die jeweils zu sichernde Gesamtforderung von Skandix um 20 % übersteigt.

Ab Zahlungseinstellung des Vertragspartners oder bei Beantragung des Konkurs- oder Vergleichsverfahrens über sein Vermögen ist der Vertragspartner zur Veräußerung der Vorbehaltware nicht mehr befugt und hat gesonderte Lagerung bzw. Kennzeichnung der Vorbehaltware unverzüglich vorzunehmen. Ferner hat der Vertragspartner die aus an Skandix abgetretenen Forderungen eingehenden Beträge auf einem separaten Konto gutschreiben zu lassen.

11. Eigentumsvorbehalt gegenüber Verbraucher

Skandix behält gegenüber einem Vertragspartner, der Verbraucher ist, das Eigentum an sämtlichen von ihr gelieferten Waren bis zur restlosen Begleichung der Rechnung für die jeweilige Warenlieferung (Vorbehaltware).

12. Allgemeine Regelungen für den Eigentumsvorbehalt

Skandix ist bei ernsthaften Zweifeln an der Zahlungsfähigkeit des Vertragspartners oder im Falle des Zahlungsverzuges sowie bei Antrag auf Eröffnung des Konkurs- oder Vergleichsverfahrens über das Vermögen des Vertragspartners berechtigt, die Vorbehaltware jederzeit auch ohne Nachfristsetzung – bei Zahlungsverzug nach Nachfristsetzung – soweit zurückzuverlangen, als es zur Deckung aller Forderungen von Skandix erforderlich erscheint.

Skandix ist zu diesem Zwecke berechtigt, die Räume des Vertragspartners zu betreten, in denen die Ware lagert, und die Ware in Besitz zu nehmen. Dieses Recht erstreckt sich auch auf die Räume von Dritten, sofern die Ware bei Dritten lagert. Der Vertragspartner hat dafür zu sorgen, dass der Zutritt zu diesen Räumen ungehindert ausgeübt werden kann. Die Kosten der Rücknahme trägt der Vertragspartner.

13. Abtretungsverbot

Die Rechte und Pflichten aus den mit Skandix geschlossenen Verträgen können vom Vertragspartner nicht ohne Einwilligung von Skandix auf einen Dritten übertragen werden. Sofern eine ohne Zustimmung von Skandix vorgenommene Abtretung gem. § 354a HGB dennoch wirksam ist, wird hierdurch das Recht von Skandix, mit etwaigen Gegenforderungen auch gegenüber dem neuen Gläubiger (Zessionar) aufzurechnen, nicht berührt.

14. Datenschutz

Der Vertragspartner wird gemäß § 26 BundesdatenschutzG darauf hingewiesen, dass die im Zusammenhang mit seiner Geschäftsbeziehung mit Skandix generierten Daten für Zwecke der Geschäftsabwicklung und auch bei anderen Unternehmen, mit denen Skandix zusammenarbeitet, gespeichert werden.

15. Erfüllungsort, Gerichtsstand, Sonstiges

Erfüllungsort ist Lutter am Barenberge.

Für sämtliche Vertragsbeziehungen gilt deutsches Recht – einschließlich UN-Kaufrecht – ; Gerichtsstand ist – soweit der Vertragspartner Unternehmer ist – Seesen.

Die Unwirksamkeit einzelner Bestimmungen dieser Geschäftsbedingungen oder des mit dem Kunden abgeschlossenen Liefervertrages berührt nicht die Gültigkeit der übrigen Bestimmungen. Anstelle einer unwirksamen Bestimmung tritt eine ihrem wirtschaftlichen Gehalt möglichst nahe kommende wirksame Regelung.
