Air filter

1015226

Air filter Multi-stage carburettor Weber 32/36 DGV

Volvo 120 130 220, 140, P1800, PV

Manufacturer: Weber

Carburettor type: Multi-stage carburettor

Carburettor name: Weber 32/36 DGV

Quality of product: High performance

Volvo PV544: yearsmodel from 1962, engine B18-

1035938

Air filter round 80 mm 220 mm Weber 32/36 DGV

Volvo 120 130 220, 140, P1800, PV

Shape: round

Height: 80 mm

Diameter: 220 mm

Carburettor system: Weber

Carburettor name: Weber 32/36 DGV

Quality of product: Sport version

Volvo PV544: yearsmodel from 1962

1023471

Air filter Weber 45 DCOE

Volvo 120 130 220, 140, 164, P1800, PV P210

Manufacturer: Weber

Carburettor system: Weber 45

Carburettor name: Weber 45 DCOE

Quality of product: Sport version

Quantity per car: 2

87694

Master brake cylinder

Volvo PV

Volvo PV444, 544, P445, P210: all models

Old version is without connection to the upper reservoir tank!

This version can use an adapter.

By using the adapter (Skandix part # 1007486), the upper reservoir of the model built in 1961, the respective brake fluid level is easily controlled.

Gasket set, Steering rack

Volvo PV

for System brand: System ZF

Volvo PV444, 544, P445, P210: yearsmodel to 1961

1009283

54929

Gasket set, Steering rack

Volvo 120 130 220, P1800, PV

Volvo PV444, 544, P445, P210: all models

Contains: O-ring top and bottom (114271 + 678249), brass bushing 85627 and seal 656704, the PV steering rack, the upper ring is not needed

To overhaul a steering gear, special tools are needed that are no longer available. These tools may have to be prepared by yourself.

In any case, the new brass bushings need to be grounded to size after installation. Therefore a guided reamer in the appropriate size is needed!

Volvo P445, P210: all models

Volvo PV444, 544: all models

Volvo 200: drive shaft For 1140, only front and middle joint!

Volvo 700: drive shaft 02, only front and middle joint!

For the Series 200 and 700 there are various drive shafts that are not exactly assigned, but are distinguished only by shaft types.

In the 200 series up to 1984 there are two types (1140 and 1310) They can be easily determined by the diameter of the front shaft.

Type 1140: 44.5 mm diameter

Type 1310: 50.8 mm diameter

When choosing replacement parts you must pay attention to these differences.

After 1985, there is only the type 03, although this may have have 2 different universal joints! Here, you must measure the width of the universal joint (universal joint diameter).

3 types can be found on the 700-series:

Type 02: front shaft diameter 44.5 mm

Type 03: front shaft diameter 50.8 mm

Type 13: This type can be determined by measuring the distance from center to center

Middle universal joint. The distance is

208 mm. (In contrast, the wave type 03 only

106 mm spacing)

Here again it is absolutely important that the correct shaft type is selected when purchasing spare parts.

Spur gear with two steel wheels with special gearing for low operating noise! This particularly durable set is for tuned engines!

For Volvo 164 the spur-gear must be ordered seperately (part #1015977

The set may cause noise when installed. The combination of these various parts are the reason for this. Experience shows that the noise may decrease or even disappear over time.

Carburettor linkage Type: Synchronous linkage

Carburettor system: Weber

Carburettor name: 32/36 DGV

Volvo PV544, P210 Duett: all models, engine B18-

Weber have released a kit to convert the Weber 32/36 DGV and DGAV series of carburettors from progressive to sequential operation. Sequential operation is where both throttles open at the same time, and this is commonly used in racing where performance is more important than the economy benefits of a progressive carburettor set up. A new twin pump jet is included in the kit and it is a simple bolt on.

Safety belt

1006806

Safety belt Rear seat

95, 96, 120 130 220, 140, 164, P1800, PV

Position: Rear seat

Belt type: 3-point belt

Belt type: automatic

Quantity per car: 2

Volvo PV444, 544, P445, P210: all models

Complete automatic seat belt for the back seat in very old cars must be properly fixated.

Enclosed screws fit for standard belt threads. In old vehicles another thread can be used

In particular, by alternative installation on the front seat ,belt staps should be installed so they can be easily disengaged.

Do to a new EU standard, the manufacturer is no longer able to make seat belts that roll up in every position. In order to use the strap the complete ball mechanism which is found on the side of the blocking mechanism (under the elongated plastic cover) must be removed. It is simply clipped into the base plate. The actual blocking mechanism of the belt remains completely untouched.

The belt is now working again in any position.

After installation, the function should be checked.

Belt type: automatic

Quantity per car: 2

Volvo PV444, 544, P445, P210: all models

Complete automatic seat belt for a seat in very old cars that have attachments laterally in the transmission tunnel!

Enclosed screws fit for standard belt thread. In old vehicles another thread can be used.

Do to a new EU standard, the manufacturer is no longer able to make seat belts that roll up in every position. In order to use the strap the complete ball mechanism which is found on the side of the blocking mechanism (under the elongated plastic cover) must be removed. It is simply clipped into the base plate. The actual blocking mechanism of the belt remains completely untouched.

The belt is now working again in any position.

The manufacturer of the wheel is TUV certified, and the wheels come with a clearance certificate from Volvo for the Volvo Amazon!

Unfortunately, the wheels have an inaccurate fit in the area where the hubcaps are to be mounted. The hub caps do not fit or they fit only when stress is exerted. There is a high likelihood that they come off while driving. As an alternative to the hubcaps, you can use center caps.

Volvo 120 130 220, 140, 164, P1800, PV

Bolt/Nut version: Countersunk head

Bolt head-/Nut profile: Cross slot

Thread type: with UNC inch Thread

Thread size: Nr. 8

Length: 19 mm

Volvo PV444, 544, P445, P210: all models

1029125**Screw/Bolt Countersunk head Slot with UNC inch Thread 5/16**

Volvo 120 130 220, 140, 164, P1800, PV

Bolt/Nut version: Countersunk head
 Bolt head-/Nut profile: Slot
 Thread type: with UNC inch Thread
 Thread size: 5/16
 Length: 19 mm

Volvo PV444, 544, P445, P210: all models

1022714**Screw/Bolt Timing cover Kit**

Volvo 120 130 220, 140, 200, P1800, PV P210

Position: Timing cover
 Quantity unit: Kit

Volvo PV544, P210 Duett: yearsmodel from 1962, engine B18-

1023741**Screw/Bolt Bumper**

Volvo 120 130 220, PV

Material: Stainless steel
 Position: Bumper
 Quantity per car: 4

Volvo PV444, 544, P445, P210: all models

1023782**Screw/Bolt Fuel sender Kit**

Volvo 120 130 220, P1800, PV

Position: Fuel sender
 Quantity unit: Kit

Volvo PV444, 544: all models

1026921

14939

**Screw/Bolt Binding head Cross slot**

Volvo 120 130 220, 140, 164, P1800, PV

Bolt/Nut version: Binding head
Bolt head-/Nut profile: Cross slot
Surface: chromed

Volvo PV444, 544, P445, P210: all models

1018715

191030

**Screw/Bolt Inner Hexagon**

Volvo 120 130 220, P1800, PV P210

Bolt head-/Nut profile: Inner Hexagon
fits Part No.: 1001810

Volvo PV544, P210 Duett: all models

1019268

191689

**Screw/Bolt Rocker shaft**

Volvo 120 130 220, 140, 164, P1800, PV

Manufacturer: Volvo
Position: Rocker shaft
Quantity per car: 4

Volvo PV444, 544, P445, P210: yearsmodel from 1962, engine B18-

1023020

192010

**Screw/Bolt Cross slot with UNF inch Thread 10**

Volvo 120 130 220, 140, 164, P1800, PV

Bolt head-/Nut profile: Cross slot
Thread type: with UNF inch Thread
Thread size: 10
Length: 12,5 mm
DIN / ISO: 10-32x1/2

Volvo PV444, 544, P445, P210: all models

1030635

Book Mit Volvo durch die Fünfziger

Volvo universal

Title: Mit Volvo durch die Fünfziger

The best out of Volvo's customer magazine, 'The Steering Wheel'. Volume 1 of 1950 to 1959. Translation from Swedish by Walter Wolf 160 pages, hardcover, 19.80. First-hand information, as in Volvo's customer magazine, the steering wheel (Ratten). You will find all information about the Buckel, Amazon and P1800 and the major models of the PV60 and 830er series. Accessories, travel reports, motor sports and humor from a decade of Volvo journalism. 160 pages
This is only available in German.

Book: Service book

Title: Datenhandbuch Klassische Volvos

Volvo PV444, 544, P445, P210: all models

Whoever drives, services or restores a classic Volvo must know the setting values, wear limits, and torque values. This book gives the complete technical specifications of PV 60, PV 830, Buckel Duett, Amazon, P 1800, P 1900, P 140/164, P 240/260 from 1946 to 1993. In addition you receive plans, instructions, descriptions for body work care as well as numerous drawings, model sheets and part numbers. An irreplaceable book that every driver of a classic Volvo should have at hand in the glove compartment or tool box. 208 pages

Allgemeine Geschäftsbedingungen der Skandix AG

1. Geltung der Allgemeinen Geschäftsbedingungen, Definitionen

Allen Angeboten, Lieferungen und Leistungen der Skandix AG – im Folgenden nur noch Skandix genannt – und den dazugehörigen Vertragsabschlüssen liegen ausschließlich diese Geschäftsbedingungen zugrunde.

Abweichende und/oder ergänzende Bedingungen des Bestellers/Käufers (im Folgenden: Vertragspartner) sind für Skandix unverbindlich.

Nur soweit Skandix abweichende Vereinbarungen ausdrücklich schriftlich bestätigt, gelten diese, jedoch ohne Wirkung für zukünftige Geschäfte.

2. Definition von Verbraucher und Unternehmer

Verbraucher im Sinne dieser Geschäftsbedingungen sind natürliche Personen, die außerhalb einer gewerblichen oder selbständigen beruflichen Tätigkeit mit Skandix in Geschäftsbeziehung treten.

Unternehmer im Sinne dieser Geschäftsbeziehungen sind natürliche Personen, juristische Personen oder rechtsfähige Personengesellschaften, die in Ausübung ihrer gewerblichen oder selbständigen beruflichen Tätigkeit mit Skandix in Geschäftsbeziehung treten.

3. Lieferpreise, Rechnungsprüfung

Lieferungen erfolgen zu den vereinbarten Preisen. Wird kein Preis ausdrücklich vereinbart, so gilt die aktuelle Preisliste von Skandix. Die Zahlung wird sofort nach Erhalt der Rechnung ohne jeden Abzug fällig.

Bei den Preisen handelt es sich um Nettopreise im Sinne des Umsatzsteuergesetzes. Umsatzsteuer wird in der jeweils festgelegten Höhe auf die Preise aufgeschlagen.

Der Vertragspartner hat innerhalb einer angemessenen Frist die Rechnungsstellung zu prüfen. Reklamationen der Rechnungsstellung nach Ablauf von 3 Monaten werden von Skandix nicht mehr berücksichtigt.

4. Vertragsschluss, Bestätigung der Bestellung im E-Commerce

Mit Bestellung erklärt der Vertragspartner verbindlich, die bestellte Ware erwerben zu wollen (Vertragsangebot). Skandix wird kurzfristig, spätestens jedoch innerhalb von zwei Wochen, die Annahme oder Ablehnung des Vertragsangebotes erklären. Die Annahme kann auch durch Auslieferung der Ware erklärt werden.

Bei Bestellungen auf elektronischem Wege wird Skandix den Zugang der Bestellung unverzüglich bestätigen. Die Zugangsbestätigung stellt noch keine Annahme des Vertragsangebotes dar. Bei elektronischen Bestellungen wird der Vertragstext von Skandix gespeichert und dem Vertragspartner auf sein Verlangen per E-Mail zur Verfügung gestellt.

5. Widerrufsrecht im Fernabsatz

Ist der Vertragspartner Verbraucher, kann er seine auf den Abschluss des Vertrages gerichtete Willenserklärung innerhalb von zwei Wochen nach Eingang der Ware widerrufen. Der Widerruf bedarf keiner Begründung.

Der Widerruf ist in Textform oder durch Rücksendung der Ware zu erklären. Es genügt die rechtzeitige Absendung.

Der Vertragspartner ist zur Rücksendung per Paket verpflichtet. Bei einem Bestellwert bis zu 40 EUR trägt die Kosten der Rücksendung der Vertragspartner. Bei einem Bestellwert über 40 EUR trägt die Kosten der Rücksendung Skandix. Die Rücksendung hat auf dem jeweils günstigsten Versandweg zu erfolgen. Der Vertragspartner darf die Ware sorgsam und vorsichtig prüfen. Ein Wertverlust durch über die reine Prüfung hinausgehende Nutzung ist von dem Vertragspartner zu ersetzen.

6. Gefahrtragung

Ist der Vertragspartner Unternehmer, trägt dieser die Gefahr eines zufälligen Untergangs der Ware ab Erfüllungsort. Dies gilt auch für den Fall der Versendung der Ware an einen anderen als den Erfüllungsort.

Ist der Vertragspartner Verbraucher, trägt dieser die Gefahr eines zufälligen Untergangs der Ware ab Übergabe der Ware. Der Annahmeverzug steht der Übergabe gleich.

7. Gewährleistung

Skandix leistet Gewähr für Mängel der Ware. Normaler, gebrauchstypischer Verschleiß, ebenso wie vorzeitige Abnutzung durch untypischen Gebrauch – etwa unter ungewöhnlich erhöhter Belastung – sind keine Mängel.

a. Die Zusicherung von Eigenschaften bzw. die Übernahme von Garantien ist nur insoweit verbindlich, wie Skandix diese dem Vertragspartner besonders schriftlich bestätigt hat.

Ist der Vertragspartner Unternehmer, so stellen neben der von uns gegebenen Produktbeschreibung öffentliche Äußerungen,

Anpreisungen oder Werbung des Herstellers oder eines Dritten keine vertragsgemäße Beschaffenheitsangabe der Ware dar.

b. Ist der Vertragspartner Unternehmer, so leistet Skandix Gewähr für ein Jahr ab Ablieferung der Ware. Gegenüber einem Verbraucher beträgt die Gewährleistungsfrist 2 Jahre ab Ablieferung.

Die Gewährleistung besteht nicht für Mängel, die nicht rechtzeitig angezeigt worden sind (Ziff. 8 dieser Allgemeinen Geschäftsbedingungen)

c. Ist der Vertragspartner Verbraucher, so leistet Skandix zunächst nach Wahl des Verbrauchers Gewähr durch Nachbesserung oder Nachlieferung.

Skandix ist jedoch berechtigt, die gewählte Art der Nachbesserung abzulehnen, wenn diese für Skandix mit unverhältnismäßig hohen Kosten verbunden und die andere Art der Nachbesserung dem Vertragspartner zuzumuten ist.

Ist der Vertragspartner Unternehmer, leistet Skandix nach Wahl von Skandix Gewähr durch Nachbesserung oder Nachlieferung.

Wählt der Vertragspartner nach Scheitern der Nacherfüllung wegen eines Mangels den Rücktritt vom Vertrag, steht ihm daneben kein Anspruch auf Schadenersatz zu.

d. Grundsätzlich gilt für Autoteile, dass der Einbau entsprechende Sachkunde voraussetzt. Eventuelle Montageanleitungen stellen einen Service, nicht jedoch Inhalt des Erfüllungsanspruches dar.

Besteht der Mangel in einer fehlerhaften Montageanleitung, ist Skandix gegenüber Unternehmern nur zur Nachlieferung einer fehlerfreien Montageanleitung verpflichtet. Dies gilt nur dann, wenn die fehlerhafte Montageanleitung der Montage entgegensteht.

8. Anzeige von Mängeln

Der Vertragspartner hat die Ware rechtzeitig vor Annahme/Quittierung sorgfältig auf Schäden und Fehlmengen zu untersuchen, diese sofort zu beanstanden, auf dem Empfangsschein etc. vollständig anzugeben und sich schriftlich bestätigen zu lassen.

Der Vertragspartner hat im Beanstandungsfall alle erforderlichen Maßnahmen einschließlich der Tatbestandsaufnahme rechtzeitig und formgerecht durchführen zu lassen. Über vorgenannte Kontrollen hinaus ist vom Vertragspartner die Ware beim Empfang auf richtige Menge, Art und Qualität unverzüglich zu prüfen. Unternehmer müssen offensichtliche Mängel innerhalb von zwei Wochen nach Übergabe der Ware schriftlich anzeigen.

Der Vertragspartner muss Skandix innerhalb von vier Wochen, nachdem der vertragswidrige Zustand der Ware festgestellt wurde, diesen an Skandix mitteilen.

9. Haftungsbeschränkung

Bei leicht fahrlässiger Pflichtverletzung beschränkt sich die Haftung von Skandix auf den nach Art des Vertrages typischen, vorhersehbaren Durchschnittsschaden. Dies gilt auch bei leicht fahrlässigen Pflichtverletzungen der gesetzlichen Vertreter und Erfüllungsgehilfen von Skandix.

Ist der Vertragspartner Unternehmer, haftet Skandix bei leicht fahrlässiger Verletzungen nicht vertragswesentlicher Pflichten nicht.

Die Haftungsbeschränkung gilt nicht, soweit in Fällen des Vorsatzes oder der groben Fahrlässigkeit seitens Skandix oder ihrer Erfüllungsgehilfen gehaftet wird oder der Schaden auf dem Fehlen einer schriftlich besonders zugesicherten Eigenschaft beruht, durch deren Zusicherung der Vertragspartner vor einem solchen Schaden abgesichert werden sollte.

Der Haftungsausschluss gilt ferner nicht, soweit bei leicht fahrlässiger Verletzung wesentlicher Vertragspflichten seitens Skandix oder ihrer Erfüllungsgehilfen zwingend gehaftet wird. Die Haftungsbeschränkung gilt nicht für Körperschäden, Gesundheitsbeschädigung oder Verlust des Lebens des Vertragspartner.

Ansprüche aus dem Produkthaftungsgesetz gegen Skandix werden nicht ausgeschlossen.

10. Eigentumsvorbehalt gegenüber Unternehmer

Skandix behält gegenüber einem Vertragspartner, der Unternehmer ist, das Eigentum an sämtlichen von ihr gelieferten Waren bis zur restlosen Begleichung ihrer Gesamtforderung aus der laufenden Geschäftsverbindung mit dem Vertragspartner (Vorbehaltsware).

Das gilt auch dann, wenn der Kaufpreis für bestimmte vom Unternehmer bezeichnete Warenlieferungen bezahlt ist, da der Eigentumsvorbehalt alle laufenden offenen Saldoforderungen sichert.

Der Unternehmer darf die Vorbehaltsware im Rahmen seines ordnungsgemäßen üblichen Geschäftsverkehrs veräußern. Zu anderen Verfügungen, insbesondere zur Sicherungsübereignung oder Verpfändung, ist er nicht befugt.

Alle ihm aus jeder Weiterveräußerung der Vorbehaltsware zustehenden Forderungen (einschließlich eventueller Nebenrechte) tritt der Unternehmer bis zur Höhe der jeweils offenen Gesamtforderung der Skandix zu deren Sicherung an Skandix ab.

Diese AGB können Sie auch online abrufen unter der Adresse www.skandix.de

Beim Weiterverkauf der Vorbehaltsware zusammen mit anderen Waren zu einem Gesamtpreis, erfolgt die Abtretung entsprechend des Rechnungswertes der mitverkauften Vorbehaltsware.

Solange der Unternehmer seinen Zahlungsverpflichtungen gegenüber Skandix nachkommt, ist er bis auf Widerruf ermächtigt, die auf Skandix sicherungshalber abgetretenen Forderungen einzuziehen.

Eine Verfügung über diese Forderungen durch den Vertragspartner ist nur Zug um Zug gegen Auszahlung des Erlöses an Skandix zulässig, und zwar bis zur restlosen Regulierung der offenen (Saldo-)Gesamtforderung der Skandix. Die Einzugsermächtigung kann widerrufen werden, wenn ernsthafte Zweifel an der Zahlungsfähigkeit des Vertragspartners auftreten.

Bei Zahlungseinstellung des Vertragspartners erlischt automatisch die Einzugsermächtigung. Auf Verlangen von Skandix hat der Vertragspartner – insbesondere bei Widerruf oder Erlöschen der Einzugsermächtigung – Skandix die Schuldner der abgetretenen Forderungen umgehend mitzuteilen und alle zur Geltendmachung der Rechte von Skandix erwünschten und erforderlichen Auskünfte zu erteilen und Unterlagen auszuhändigen.

Der Eigentumsvorbehalt ist in der Weise auflösend bedingt, dass mit vollständiger Erfüllung der jeweils offenen Gesamtforderung von Skandix gegenüber dem Vertragspartner das Eigentum an der Vorbehaltsware ohne weiteres auf ihn übergeht.

Auf Wunsch des Vertragspartners gibt Skandix nach ihrer Wahl ihr zustehende Sicherungen frei, soweit ihr Wert die jeweils zu sichernde Gesamtforderung von Skandix um 20 % übersteigt.

Ab Zahlungseinstellung des Vertragspartners oder bei Beantragung des Konkurs- oder Vergleichsverfahrens über sein Vermögen ist der Vertragspartner zur Veräußerung der Vorbehaltsware nicht mehr befugt und hat gesonderte Lagerung bzw. Kennzeichnung der Vorbehaltsware unverzüglich vorzunehmen. Ferner hat der Vertragspartner die aus an Skandix abgetretenen Forderungen eingehenden Beträge auf einem separaten Konto gutschreiben zu lassen.

11. Eigentumsvorbehalt gegenüber Verbraucher

Skandix behält gegenüber einem Vertragspartner, der Verbraucher ist, das Eigentum an sämtlichen von ihr gelieferten Waren bis zur restlosen Begleichung der Rechnung für die jeweilige Warenlieferung (Vorbehaltsware).

12. Allgemeine Regelungen für den Eigentumsvorbehalt

Skandix ist bei ernsthaften Zweifeln an der Zahlungsfähigkeit des Vertragspartners oder im Falle des Zahlungsverzuges sowie bei Antrag auf Eröffnung des Konkurs- oder Vergleichsverfahrens über das Vermögen des Vertragspartners berechtigt, die Vorbehaltsware jederzeit auch ohne Nachfristsetzung – bei Zahlungsverzug nach Nachfristsetzung – soweit zurückzuverlangen, als es zur Deckung aller Forderungen von Skandix erforderlich erscheint.

Skandix ist zu diesem Zwecke berechtigt, die Räume des Vertragspartners zu betreten, in denen die Ware lagert, und die Ware in Besitz zu nehmen. Dieses Recht erstreckt sich auch auf die Räume von Dritten, sofern die Ware bei Dritten lagert. Der Vertragspartner hat dafür zu sorgen, dass der Zutritt zu diesen Räumen ungehindert ausgeübt werden kann. Die Kosten der Rücknahme trägt der Vertragspartner.

13. Abtretungsverbot

Die Rechte und Pflichten aus den mit Skandix geschlossenen Verträgen können vom Vertragspartner nicht ohne Einwilligung von Skandix auf einen Dritten übertragen werden. Sofern eine ohne Zustimmung von Skandix vorgenommene Abtretung gem. § 354a HGB dennoch wirksam ist, wird hierdurch das Recht von Skandix, mit etwaigen Gegenforderungen auch gegenüber dem neuen Gläubiger (Zessionar) aufzurechnen, nicht berührt.

14. Datenschutz

Der Vertragspartner wird gemäß § 26 BundesdatenschutzG darauf hingewiesen, dass die im Zusammenhang mit seiner Geschäftsbeziehung mit Skandix generierten Daten für Zwecke der Geschäftsabwicklung und auch bei anderen Unternehmen, mit denen Skandix zusammenarbeitet, gespeichert werden.

15. Erfüllungsort, Gerichtsstand, Sonstiges

Erfüllungsort ist Lutter am Barenberge.

Für sämtliche Vertragsbeziehungen gilt deutsches Recht – einschließlich UN-Kaufrecht – ; Gerichtsstand ist – soweit der Vertragspartner Unternehmer ist – Seesen.

Die Unwirksamkeit einzelner Bestimmungen dieser Geschäftsbedingungen oder des mit dem Kunden abgeschlossenen Liefervertrages berührt nicht die Gültigkeit der übrigen Bestimmungen. Anstelle einer unwirksamen Bestimmung tritt eine ihrem wirtschaftlichen Gehalt möglichst nahe kommende wirksame Regelung.
